Cabot Creamery Sponsors Raitt Homestead Farm Museum

The Raitt Homestead Farm Museum is pleased to announce that Cabot Creamery Cooperative (www.cabotcreamerycoop) is a Premium Sponsor for the 2010 summer event season at the farm.

Cabot Creamery is a farm family-owned cooperative located in the hills of Vermont producing all natural, award-winning cheeses, including the "World's Best Cheddar", as well as a tasty variety of flavored cheddars. More than 1200 farm families from all over the Northeast own Cabot, with over 100 farm family-owners in Maine.

Chris Pierson, Marketing Manager for Cabot Cheese, enthusiastically supported the effort to join the Raitt Farm Museum this year as a Premium Sponsor for the 2010 summer season. "Cabot is very excited to be able to support the Raitt Farm Museum events – the 15th Eliot Antique Tractor & Engine Show July 23rd-25th www.eliotantiquetractorandengine.org & the 5th Celebrate MAINE Festival August 7th & 8th www.celebratemainefestival.com – featuring the Mainely Grillin' & Chillin' State BBQ Competition www.mainelybbq.com. We look forward to showcasing our products. Both events highlight the many benefits of agriculture and we are pleased to support the Farm Museum. We have been a sponsor of the Celebrate MAINE Festival for many years and look forward to the 2010 events."

"We are extremely grateful for all the support that Cabot Creamery has given to us over the past four years. We look forward to working with Cabot for a very long time. The history of farming is an important lesson for future generations and with Cabot's support we are able to continue to meet our goals of preserving and restoring this beautiful 33 acre farm" stated Peter Rousseau, Vice President of the Raitt Homestead Farm Museum. Maintaining open space and educating future generations about farming history is an integral part of our mission.

Rustie MacDonald outreach coordinator for Cabot will be featuring Cabot's award-winning family of cheeses on both weekends this summer.
